164/18 Issues Log

Issue	Issue
Bus Stops – The Strand & The Pippin (including Tesco funded bus service)	<p>A request for the temporary use as a bus turning/parking area has been made to Wiltshire Council. Members noted that Wiltshire Council has confirmed its intention to issue a licence for the pocket park.</p> <p>The Passenger Transport Team have advised that the town service buses now have very little turn round time at the Pippin between journeys – usually about 5 minutes maximum. However, the Pippin is also used by 33 which is operated by the Faresaver bus company and which on weekdays may layover there between journeys at 1058-1121 and between 1258 and 1321.</p>

<p>Bus Stop – High Penn – moving of bus stop and lack of footway</p>	<p>A response has been received from Spencer Drinkwater on behalf of Allan Creedy.</p> <p>Wiltshire Council have been unable to secure the provision of this length of footway from the developer. However, David Wilson Homes has agreed to installing a raised kerb and re-locating the bus flag.</p> <p>I can confirm that there is no S106 funding available for the provision of this footway. It may be that the best way of providing this footway would be to refer the matter to Calne CATG for funding.</p> <p>An email in response to clarify these points was sent on 22nd January.</p> <p>It was proposed by The Town Mayor – Cllr Ansell, seconded by Cllr Jones and</p> <p>Resolved that that an estimated cost for the provision of the footpath be requested and that an issue be lodged for CATG.</p> <p>A further discussion took place about the provision of a crossing on Oxford Road which will be followed up.</p>
