

CALL FOR SITES

Do you have / know of land which is potentially suitable for development for housing, employment, retail, leisure, community uses?

If so, we want to hear from you!

The Calne Community Neighbourhood Plan Steering Group wants to identify potential sites for future development in Calne Town and Calne Without Parishes from now until 2026 (a map of the Neighbourhood Plan area can be found on our website www.calne.gov.uk)

To achieve this we have been in contact with landowners, developers and agents who have sites for potential residential development included in the Wiltshire Council Strategic Housing Land Availability Assessment (SHLAA), however we want to ensure that we reach those who may have an interest in developing land for all uses, who are not already identified/known to us.

If you are interested in proposing a site for consideration, please complete the 'Call for Sites' form (which can be found on our website www.calne.gov.uk) in as much detail as possible. The Neighbourhood Plan Steering Group will then consider the site and its viability/suitability for inclusion in the Calne Community Neighbourhood Plan.
